President's Message from Mike Fillat

Well, Happy Birthday to Sundance! We were able to “have our cake and eat it too” as they say. Thank you to all those who donated to the cake fund. Some of you may have seen me out in front of the school asking for donations for cake. That was to avoid spending Foundation dollars on cake, and we were successful. Now to more pressing matters, we need you! The Foundation meets once a month in the teacher's lounge. We do two fundraisers a year and we communicate with the teachers and principal to decide where to best spend the funds. We meet the first Monday of every month at 6:30 p.m. The meetings usually last less than one hour. Now is the time. Get involved in your kid's school. Come to a meeting. If you would like more information, email me at otldoc@gmail.com.

Auction Night
is
Saturday,
April 24th!**

A Message from our Principal, Wendy Smith-Rogers...

Have you ever had fun at a business meeting? No? Then you need to become involved with the Sundance Foundation where the commitment and dedication to planning the big fundraiser in April makes it fun to be part of that positive energy. Not everyone is cut out to help with fundraising events, but there are other aspects of the evening's event that could certainly use help from parents other than the core group of Foundation members. Some of you have great connections with businesses that could make donations to the cause. Some of you could help with the packaging of all the gift baskets that are created from donations from parents and businesses. If you have time, talent or a connection to offer, please contact Mike Fillat at otldoc@gmail.com or Romy Mason at romymason@sbcglobal.net. Thank you in advance for offering to help make this event our best ever. The money we raise goes straight to Sundance. The Foundation works very closely with the staff and me to determine what our needs are to best meet the needs of your children. It's a win-win situation! The more money we raise, the more our children benefit.

From our Auction Night Coordinator, Romy Mason...

Check Out The Tile Wall!

The Foundation would like to extend a big thank you to Julie Kvarnstrom for all her work in making the tile wall look so great with our newly remodeled school. As outgoing Vice President, she took on the task of getting our tile wall replaced when the District removed it before construction began. It looks GREAT! Thank You, Julie!

The following individuals and businesses all played a role in making the tile wall become a reality that honors our largest donors from 2004 to present.
